BOULDER LIVING

Middle-Income Housing

Vision: A Boulder County where attainable workforce housing supports vibrant communities and a resilient economy.

Goal: Create a pathway for 5,000 additional middle-income housing units across Boulder County.

Strategic Priority	Priority Statement
Housing Production & Supply	Increase the production of middle-income housing through policies, partnerships, and development opportunities.
Housing Policy & Development Reform	Improve the policy, regulatory, and development environment to support more flexible, predictable, and efficient middle-income housing development.
Housing Innovation & Regional Partnerships	Strengthen regional collaboration among public, private, nonprofit, educational, and philanthropic partners to expand housing solutions.
Housing Accountability & Community Impact	Improve transparency, education, and accountability to ensure housing investments produce measurable community outcomes.

BOULDER LIVING

Middle-Income Housing

Strategic Priority	Annual Objectives
Housing Production & Supply	- Expand Housing Opportunities - Support Housing Development - Encourage Diverse Housing Types
Housing Policy & Development Reform	- Advance Housing Policy - Improve Development Processes - Strengthen Development Support
Housing Innovation & Regional Partnerships	- Expand Strategic Partnerships - Advance Innovative Housing Models - Strengthen Research and Implementation
Housing Accountability & Community Impact	- Improve Housing Intelligence - Increase Transparency - Build Community Understanding

Cross-Pillar Strategic Priorities

These priorities support all Boulder Together pillars and provide the framework for collaboration, resiliency, policy engagement, and community participation.

Strategic Priority	Priority Statement
Community Capacity & Systems Alignment (COLLABORATION)	Strengthen cross-sector collaboration, organizational capacity, and system alignment to achieve shared community outcomes and address complex challenges that no single organization can solve alone.
Community Resilience & Response (RESILIENCY)	Strengthen the regional Boulder business community's ability to prepare for, respond to, and recover from disruptions through centralized communications, coordinated partnership, and resilience planning.
Strategic Intelligence & Advocacy (ADVOCACY)	Monitor policy issues impacting Boulder together priorities and advance informed solutions.
Inclusive Economic Opportunity & Community Engagement (INCLUSIVITY)	Strengthen inclusive access, participation, and opportunity across Boulder Together initiatives.
