BOULDER RESPONDS

Homelessness & Behavioral Health

Vision: A City of Boulder where homeless and at-risk individuals and families can access the housing, behavioral health services, and support systems needed to achieve stability and self-sufficiency.

Goal: Reduce homelessness in Boulder County by 50%, with a particular focus on chronic homelessness and behavioral health access.

Strategic Priority	Priority Statement
Behavioral Health Access & Recovery	Expand access to behavioral health services, crisis care, treatment, and recovery support.
Housing Stability Pathways	Create pathways from homelessness and crisis to stable housing and self-sufficiency.
Homelessness Prevention & Early Intervention	Reduce inflow into homelessness through prevention, stabilization, and early intervention strategies.

BOULDER RESPONDS

Homelessness & Behavioral Health

Strategic Priority	Annual Objectives
Behavioral Health Access & Recovery	• Expand Access to Treatment and Recovery Services • Improve Service Navigation and Care Coordination • Increase Behavioral Health Capacity
Housing Stability Pathways	• Increase Access to Supportive Housing • Strengthen Housing Navigation and Service Integration • Address Barriers to Long-Term Stability
Homelessness Prevention & Early Intervention	• Identify Populations Most At Risk • Strengthen Prevention and Stabilization Supports • Promote Early Intervention Strategies

Cross-Pillar Strategic Priorities

These priorities support all Boulder Together pillars and provide the framework for collaboration, resiliency, policy engagement, and community participation.

Strategic Priority	Priority Statement
Community Capacity & Systems Alignment (COLLABORATION)	Strengthen cross-sector collaboration, organizational capacity, and system alignment to achieve shared community outcomes and address complex challenges that no single organization can solve alone.
Community Resilience & Response (RESILIENCY)	Strengthen the regional Boulder business community's ability to prepare for, respond to, and recover from disruptions through centralized communications, coordinated partnership, and resilience planning.
Strategic Intelligence & Advocacy (ADVOCACY)	Monitor policy issues impacting Boulder together priorities and advance informed solutions.
Inclusive Economic Opportunity & Community Engagement (INCLUSIVITY)	Strengthen inclusive access, participation, and opportunity across Boulder Together initiatives.
