## ABOUT THE CEO

Marcus A. Canady is a proven and dedicated leader who has impacted numerous people in the public and private sectors. With over 20 years of military service, he has led aviation crews on life-saving and law enforcement missions. He has commanded operational units. He has mentored countless junior personnel and coordinated impactful initiatives to address the recruiting and professional development of servicemembers in the Armed Forces.

Now his passion is improving the leadership abilities of people across the world. Having personally benefitted from leaders that lead with passion, he is now on a mission to create more leaders that go the extra mile for their people.

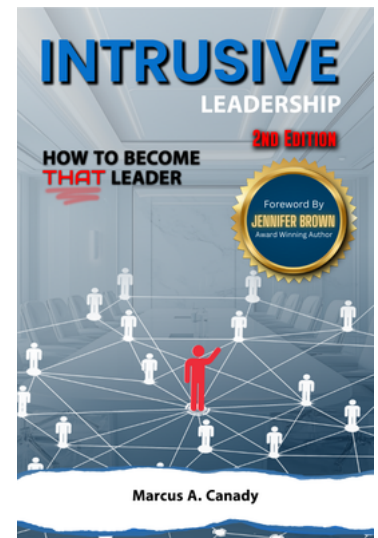

## KEYNOTES

Well over 100 keynote addresses on various leadership topics throughout the country to diverse audiences in the public sector and Fortune 500 companies. Able to discuss leadership theories and principles through the art of storytelling that is entertaining and thought-provoking. Keynotes range from 20 - 120 minutes to include question and answer sessions. Previous engagements include keynotes at Proctor & Gamble, Merck, General Electric, George Mason University, and more.

## PUBLISHED AUTHOR
