

Cross-Pillar Strategic Priorities

These priorities support all Boulder Together pillars and provide the framework for collaboration, resiliency, policy engagement, and community participation.

Strategic Priority	Priority Statement	Annual Objectives
Community Capacity & Systems Alignment (COLLABORATION)	Strengthen cross-sector collaboration, organizational capacity, and system alignment to achieve shared community outcomes and address complex challenges that no single organization can solve alone.	• Strengthen Leadership Networks • Align Community Priorities • Increase Organizational Capacity • Advance Collaborative Solutions
Works • Moves • Responds • Secure • Launches		
Community Resilience & Response (RESILIENCY)	Strengthen the regional Boulder business community's ability to prepare for, respond to, and recover from disruptions through centralized communications, coordinated partnership, and resilience planning.	• Improve Preparedness and Centralized Communications • Strengthen Cross-Sector Coordination • Increase Business and Organizational Resilience
Living • Works • Responds • Secure • Launches		
Strategic Intelligence & Advocacy (ADVOCACY)	Monitor policy issues impacting Boulder together priorities and advance informed solutions.	• Monitor Emerging Issues • Educate Stakeholders • Facilitate Community Engagement • Advance Advocacy Priorities
Living • Works • Responds • Secure • Moves • Launches		
Inclusive Economic Opportunity & Community Engagement (INCLUSIVITY)	Strengthen inclusive access, participation, and opportunity across Boulder Together initiatives.	• Expand Awareness and Participation • Improve Access to Programs and Resources • Increase Community Representation and Input • Advance Inclusive Economic Opportunity
